## Review Sinterklaas

Fortunately, it all worked out with St. Nicholas. It was exciting for a while, but also this year we were able to celebrate his birthday together. The children enjoyed themselves and we have heard that the groups where Sinterklaas came to visit were quite excited.

## Christmas celebration and dinner

On Thursday morning, December 19, we will have a Christmas celebration in the hall. You are welcome to come and watch your child(ren) celebrate. The celebration will start at:

09:00 for the preschool and groups 1/2  
10:00 for the children of the groups 3 to 5  
11:10 for the children of the groups 6 to 8

Christmas dinner will be on Thursday evening, December 19, from 5:00 to 6:30 pm. The teacher will approach you to bring something to eat and drink. These do not have to be large portions and if you are unable to contribute please do not feel burdened.

The parents who bring food can come in from 16:45.

In the hall there will be something to drink and some nice Christmas music for the parents waiting for their children.

## Christmas boxes

Once again this year, through the School Meals Project, we are able to arrange Christmas packages for all of our students. These packages can be taken and collected on Wednesday, December 18, after school.

Because we also do not know at this time how big and heavy that package is, I would

like to ask especially the parents of the smaller children (groups 1 to 4) to take into account that you can pick up the package on Wednesday in class. Also, for the children of the upper grades (grades 5-8), it would be nice if someone could support your child(ren) in bringing it.

### **Weer nieuwe leesboeken voor alle kinderen!**

Once again, thanks to cooperation with the Youth Education Fund and bol.com, we are able to give each child a book as a gift. On Friday, December 13, we will give it as an early Christmas present! 😊

These are the following books:

For the groups 1/2: Knight without buttocks

For the groups 3/4: Skip and the rabbit thief

For the groups 5/6: Stink Dog Champion!

For the groups 7/8: Juf Braaksel and the gigantic explosion

We wish the children much reading pleasure!

### **Terugblik MR**

Last Wednesday, the MR met again. During the meeting we went over the budget for 2025. In addition, we had a visit from employees of Tommy Tomato. After the Christmas break we will start organizing one hot lunch per week for all our students. We will inform you more about this in the last newsletter. There are no costs involved for parents/caregivers but we can also fund this from the School Meals subsidy. We are excited and hope that this will be a great success for our students.
