### Review Christmascelebration and diner

What a beautiful Christmas celebration we experienced together. All groups made a beautiful contribution to the celebration. Very nice to see our children shining there and to see other talents popping up.

A photo of the dazzling performance of group 3/4 of Ferhaad.

Also in the evening it was very nice in all groups and what the children looked beautiful again! Thanks also to all the parents/caretakers who prepared something for the group. We and the children enjoyed it very much.

### Visit to nursing home

Last Tuesday we went with some children to the Venser nursing home. The children sang Christmas songs together with the

elderly and handed out beautiful Christmas crafts made by students of Klaverblad.

The elderly loved the made crafts and singing Christmas songs together!

This is a warm gesture from our children to the elderly in our neighborhood and a beautiful way to give substance to citizenship. A nice lesson for our children to do something for others. Nice to contribute to the happiness of these residents of the neighborhood.

In conclusion, the children received a glass of lemonade, a tangerine and a chocolate.

### Christmasboxes for all children

Last Wednesday we were again able to hand out just under 250 Christmas hampers. Thank you to all the parents who were there to help their child(ren) take these home. We hope it will taste good and that you will enjoy it!

### Parent satisfaction survey

For the most optimal development of our students, cooperation with you as a parent/guardian is very important. We also think it is important to know what you think about the school. After the Christmas vacations we will again conduct a parent satisfaction survey. This will be

given to you to take home. The request is to fill it out and return it to school.

Last year a very large group of parents, about 66%, filled it out. That is nice, because it gives a good picture of what you as a parent/guardian think of us as a school. I hope we can count on you next year as well. Through Social Schools you will be kept informed when the survey will be distributed.

## Tommy Tomato

Our school wants to contribute to a healthy living environment for children where, in addition to sufficient exercise, attention is paid to healthy eating. Thanks to the school meal subsidy, all children can have a healthy, hot lunch in class. To this end, we cooperate with TommyTomato who provides the lunches.

### The advantages of the TommyTomato lunch

- Each lunch contains 60-100% of the recommended daily allowance of vegetables for children.
- Eating more vegetables lowers the risk of diseases and supports your child's health.
- Children have longer energy and better concentration after a vegetable lunch in the afternoon.
- Discovering new flavors together is fun, even for difficult eaters.
- The lunches are completely free for parents, thanks to subsidies for school meals.

### Trial Lunch

On Jan. 15, 2025, we will start a trial lunch for all students. You do not need to sign your child up for this, everyone will have lunch with you. So you do not need to bring lunch on this day.

### Weekly lunch

Starting Jan. 22, 2025, TommyTomato will deliver a nutritious lunch packed with vegetables to school every Wednesday. Thanks to the school meals subsidy, all children participate and parents don't have to pay anything!

### Allergens

Many TommyTomato dishes contain lactose and gluten. Therefore, students with lactose and gluten allergies cannot currently eat with us. Furthermore, there are never peanuts and/or tree nuts in the dishes, but they may contain trace amounts.

We are going to try this out for about 8 weeks and then evaluate and see if we continue with this.
